Japanese Cultural Program

The Japan-America Society of Georgia (JASG) is pleased to announce a special program offering presentations and activities related to Japanese culture, customs, language, etc. This program has been created to provide a clearer and wider understanding of these aspects of Japan to K-12 students, college students and community organizations.

Presentations

Each Presentation includes brief general information on Japan and lasts approximately 60 minutes.

Topics can be chosen from the included list. However, other topics and different lengths of presentation may be requested.

The JASG would appreciate:

Any contribution for cost of materials and mileage would be appreciated.

For teachers : We would appreciate you remain in the class during the presentation.

While the JASG makes every effort to fulfill each request, we cannot guarantee our availability.

Activities

- (1) Japanese children's school life
- (2) Origami
- (3) Simple Japanese language
- (4) Chopsticks
- (5) Japanese Clothing (Kimono, Yukata)
- (6) Calligraphy
