MI MITSUBISHI HITACHI POWER SYSTEMS

Mitsubishi Hitachi Power Systems (MHPS), a thermal power generation systems company, jointly established by Mitsubishi Heavy Industries and Hitachi, have launched business operations effective February 1, 2014. The new venture, MHPS combines the global fossil business of both companies. This historic merger combines 150 years of technology leadership in power generation solutions. Through the joined talent and resources, the mission of the new joint venture is to bring its superior technological products to broader markets rapidly and cost effectively, and with greater project execution and service support. Visit www.mpsHQ.com for more information.

Fuji Oil is a leader in the production of ingredients for the food industry. Established in 1987, Fuji Vegetable Oil has continued to grow as a major supplier of specialty fats and oils. They are dedicated to delivering the highest quality specialty fat and oil ingredients for the confectionary and baking industries across North America. You can find their products in a variety of quality foods, from the finest confections to baked and fried snacks and pastries. In addition, they provide a variety of products to industrial end users. Fuji produces a variety of specialty vegetable oils at our facility in Savannah, GA. In the Summer of 2021, they began production in a second facility in Avondale, LA. Fuji Vegetable Oil is focused on the America's and is headquartered in Savannah, GA. They are a part of Fuji Oil Holdings Inc., which is headquartered in Osaka, Japan. Visit <http://www.fujioilusa.com/> for more information.

Since 1945, Georgia has served as a magnet for international trade and investment, enriching the state's economy to benefit all Georgians. Georgia's deep-water ports in Savannah and Brunswick, together with inland barge operations in Bainbridge and Columbus, are Georgia's gateways to the world through which raw materials and finished products flow to and from destinations around the globe. GPA operations, together with private sector, port-related operations, account for more than 369,000 jobs statewide, \$84.1 billion dollars in revenue, and income exceeding \$20.4 billion annually. **The Port of Savannah**, home to the largest single-terminal container facility of its kind in North America, is comprised of 2 modern, deep-water terminals: Garden City Terminal and Ocean Terminal. Visit www.gaports.com for more information.

Since 2012, **Nine Line Apparel** has sought to represent the grit and commitment of all Patriotic Americans. By promoting the issues faced by all those who have served their country, on both foreign and domestic soil, they hope to encourage conversations between those who serve and those who support them. On October 12, 2017, Nine Line hosted a Ribbon Cutting Ceremony of their new 60,000 square foot facility on the outskirts of Savannah. Nine Line is committed to continuing to create jobs in America. They hope to continue to hone their skills in the Apparel industry while expanding to markets outside of Apparel as well. Visit <https://www.ninelineapparel.com/> for more information.

Welcoming Business from Around the World

Savannah is a vibrant, progressive, diverse, forward-thinking business community and home to many international businesses including Mitsubishi Hitachi Power Systems and the North and South American headquarters of JCB, Inc. Savannah's ideal location on the Atlantic Ocean in the southeastern part of the United States puts 70 percent of the U.S. population within a two-day drive by ground, water, rail, or air.

Savannah is home to the fastest-growing port in the nation, connected to the most extensive surface transportation network in the United States, and includes the Savannah Hilton Head International Airport, which has seven direct flights to Hartsfield-Jackson Atlanta International Airport, the world's busiest and most efficient passenger airport. The state of Georgia is also home to 42 bi-national chambers of commerce and more than 25 foreign governments have operations in Georgia.

In Savannah, SEDA works with our partners, which include World Trade Center Savannah (licensed by SEDA), the City of Savannah, Chatham County, the Georgia Department of Economic Development, Georgia Power and others, to promote and actively locate international businesses to Savannah as well as facilitate the transition to locating, hiring employees and opening a business in Savannah.

And just ask any business that has opened its doors here — you will be instantly welcomed with open arms. The Savannah business community will be there for you from day one, making you a part of our community and instantly connecting you to the resources you need to succeed.
